

## Community Good Neighbours, Pontesbury and Rea Valley

**'A team of local volunteers able to offer a helping hand within the community'**

We are pleased to announce the development of this brand-new community project where volunteers can provide essential support to local people who have found themselves alone or isolated, with health issues or even a change in circumstances.

The aim of the service is to link a volunteer with a person who may be in need of a Good Neighbour volunteer for:

- A friendly chat / phone call;
- Doing small errands such as medication collection;
- Sign posting to local support.

A friendly voice and a regular chat can make a real difference, and has already made a positive impact on people's lives.

If you would like to have the support of one of our volunteers or would like further information, please phone and leave a message with your name and contact number

**TEL: 07944 891953**

Messages will be responded to within 2 working days.
