

LOCAL PLAN REVIEW

PROPOSED DEVELOPMENT IN HANWOOD

Shropshire Council is consulting on the Local Plan Review and proposing that Hanwood is a community hub.

Great Hanwood Parish Council has organised a public meeting on 18th December 2018 at The Cock Inn Function Room, 6.30pm – this is for all residents to find out about the proposed community hub.

The key proposals for the Hanwood community hub are:

- The hub covers Hanwood village but not Hanwood Bank (which will be classed as Open Countryside thereby restricting open market housing)
- Total 50 new dwellings 2016-2036, of which 30 dwellings already have planning permission
- No site allocations – the 15 further dwellings to be delivered through windfall
- A development boundary for Hanwood
- The edge of the parish falls partly within a large urban extension of Shrewsbury

PLEASE ALSO SEE THE MAP WHICH SHOWS THE PROPOPOSED DEVELOPMENT BOUNDARY

Shropshire Council are consulting on the Local Plan Review from now until 31st January 2019 – see “Get Involved” section on www.shropshire.gov.uk
